SECOND AMENDED COMPLAINT

1. The Plaintiffs, William S. Fletcher, Charles A. Pratt, Juanita W. West, Cora Jean Jech, and Betty Woody (collectively the “Plaintiffs”), on their own behalf and on behalf of all others similarly situated, make the following claims for relief against the Department of the Interior; Kenneth Salazar, Secretary of the Interior; The Bureau of Indian Affairs; and Walter Echohawk, the Assistant Secretary of the Interior – Indian Affairs (collectively the “Defendants” or the “USA”).
2. Pursuant to the Court’s order of March 31, 2009, the Plaintiffs also name the following two groups of Defendants: A) a group of Defendants who are corporate in nature and B) a group of Defendants that are natural persons, or are financial instruments of natural persons.¹ Together these two groups of defendants are referred to as the “Individual Defendants.” The Plaintiffs claim that during the pendency of this litigation the Federal Defendants have wrongfully paid moneys segregated from the Osage trust fund to the Individual Defendants based on data

¹ The Court’s Order specifically found that the non-Osage headright holders are required parties to this action. Opinion and Order of March 31, 2009, at p. 7. Plaintiffs have taken the position throughout the litigation that the 1906 Act has been amended to provide that an Osage Indian entitled to royalty payments may, with federal approval, devise his right to receive these royalties to a limited group of persons of Indian blood, legally-adopted children of Osages, and for a life estate interest to certain others. Accordingly, persons falling within such categories are not herein named as Defendants.

provided by the Bureau of Indian Affairs (herein the “Bureau”). However, the Bureau does not maintain sufficient data to absolutely preclude the possibility that persons who are entitled to receive Section 4 Royalty Payments are mistakenly listed as Defendants. The Bureau has been unable to provide any necessary explanatory data concerning some categories of recipients of Section 4 Royalty Payments, such as the identity of legally adopted children of Osage Indians. To comply with the Court’s order the Plaintiffs have used the data provided by the Bureau and are enclosing a letter with the service of each complaint offering that each named defendant (other than the United States entities) is welcome to provide the Plaintiffs with data demonstrating their privilege to share in the distribution of Section 4 Royalty payments. The Plaintiffs also anticipate working with the Bureau to ensure the proper naming and alignment of the parties. Upon a showing that a party should be a plaintiff rather than a defendant, the Plaintiffs would ask the Court for permission to properly align such persons in this litigation.

INTRODUCTION

3. The Plaintiffs bring this claim because the Federal Defendants have breached statutorily imposed trust obligations owed to the Plaintiffs by failing to distribute Osage mineral royalties *only* to persons who are Osage Indians by blood, and those who may by statute be allowed to receive distributions of trust property. The Federal Defendants have also breached their statutorily imposed trusteeship obligations by failing to account to the Plaintiffs and Class Members as to the distribution of Osage mineral royalties to recipients who are not Osage Indians.

A. *Basis for Plaintiffs' Claims against Their Trustee*

4. In 1906, the U.S. Congress passed a law permitting development of the large, and very valuable, oil and gas deposits comprising the mineral estate located on the Osage Tribe's lands (herein the "Osage Mineral Estate"). *See*, An Act for the Division of the Lands and Funds of the Osage Indians in Oklahoma Territory and for Other Purposes, 34 Stat. 539 (June 25, 1906) (herein the "1906 Act").

5. A trust was imposed in section 4 of the 1906 Act whereby the royalties ("Royalty" or "Royalties," as the case may be) received by the United States from the production of minerals by third parties on the Osage Mineral Estate, *after* deducting and withholding some portion of the Osage Mineral Estate royalty for Osage Tribal purposes, were to be distributed from a trust to Osage Indians by blood (hereinafter "Osage Indians") as beneficiaries. *See* the 1906 Act § 4.² The trust indenture provided that the SECTION 4 ROYALTY PAYMENTS are to be made to the members of the Osage Tribe. No other person or entity is mentioned. No express amendment of this trust indenture has ever been made.

6. The quarterly per capita distribution of SECTION 4 ROYALTY PAYMENTS to Osage Indians fulfilled an important governmental purpose and provided a benefit to the Osage Indians. According to the expressions of congressional intent compelling this legislation, Osage Indians, then and now, were dispossessed of their original homelands and required to abandon their communal notions

² Herein, these specific mineral interest Royalty payments to Members will be referred to as "SECTION 4 ROYALTY PAYMENTS."

regarding the ownership of property. In addition, the Plaintiffs and those similarly situated have, for the most part, had their certificates of competency revoked. The Defendants' administration of SECTION 4 ROYALTY PAYMENTS on their behalf was intended to provide a unique benefit to the Plaintiffs, *i.e.*, a trust that was to ensure the Plaintiffs and other class member's sustenance.

7. Since the filing of the Complaint in this matter, and by distributing SECTION 4 ROYALTY PAYMENTS from the Osage Mineral Estate to the Individual Defendants, the Federal Defendants have violated the specific trust indenture in the 1906 Act § 4 .

B. *Plaintiffs' Claims to Prevent Wrongful Trust Distributions*

8. Pursuant to the federal statutes cited in this Second Amended Complaint, the Plaintiffs (*i.e.*, the putative class members) make no claim against the Osage Nation or the Osage Mineral Estate itself; nor is there any dispute with the amounts which the Osage Nation has obtained from the Osage Mineral Estate. Instead, the Plaintiffs' claims relate to the Federal Defendants' SECTION 4 ROYALTY PAYMENTS made during the pendency of this litigation, and those to be made in the future.

9. The Plaintiffs do not seek money damages in this lawsuit, but instead seek an accounting and the restoration of any and all trust assets the Defendants wrongfully depleted by improperly distributing the trust property generated from the Osage Mineral Estate during the pendency of this litigation. As set out below,

this malfeasance resulted in the Federal Defendants annually misdirecting substantial amounts of SECTION 4 ROYALTY PAYMENTS to improper recipients, all in violation of The 1906 Act § 4.

10. According to the law of this case, as set out by the Tenth Circuit Court of Appeals, this claim is for equitable relief and not money damages and extends back to the date of the filing of this complaint. *See Fletcher v. USA*, 2005 WL 3551108 (10th Cir. 2005).

STATEMENT OF JURISDICTION AND PARTIES

11. The Plaintiffs' claims arise under U.S. Const. Amend. V; 5 U.S.C. § 702 and 706, and 28 U.S.C. §§ 1343, 1346, 1361 and 1362, all as more fully set forth below. This Court has jurisdiction by reason of these aforementioned laws and under Title 28, United States Code, Section 1331.

12. Plaintiffs are descendants of individuals who were listed on the rolls of the Osage Tribe, and are Osage Indians. The Plaintiffs have been deprived of SECTION 4 ROYALTY PAYMENTS as a result of the Federal Defendants' distribution of such trust assets to persons who are not Osage Indians. Additionally, the Plaintiffs are entitled to an accounting for the Federal Defendants receipt, handling, and distribution of funds segregated from the Osage Mineral Estate and paid under section 4 of the 1906 Act.

13. The Department of the Interior (the "Interior") is a United States agency with the responsibility to provide for oversight and superintendence of federally recognized Indian tribes, a part of which is encompassed in Interior's trust

responsibility to Osage Indians. Kenneth Salazar has recently been appointed as the Secretary of Interior, has been confirmed by the Senate, and is being named in his official capacity.

14. The Bureau of Indian Affairs (the “Bureau”) is a sub-bureau, and an agency within Interior that has the responsibility for executing upon and faithfully discharging substantial trust responsibilities owed to Osage Indians. Walter Echohawk is currently the Assistant-Secretary for Indian Affairs. He was recently appointed, has been confirmed by the Senate, and is being named in his official capacity.

15. The Plaintiffs identify each Individual Defendant in Exhibit A. For the purposes of economy and brevity, the statement of parties for each Individual Defendant is set out in Exhibit A but is expressly included by reference here in this Second Amended Complaint.

COMMON ALLEGATIONS

This section contains allegations common to all for which relief is sought. Paragraphs 1 through 15 are incorporated by reference.

A. The Defendants’ Erroneous Statutory Interpretation of Section 4

16. An Osage Indian is a person who descends from those persons named in the rolls of members prepared under section 1 of the 1906 Act.

17. The United States government by federal statute assumed the authority for the management of the Osage Mineral Estate and the distribution of Royalties to Osage Indians. During the pendency of this litigation, the right to receive a

SECTION 4 ROYALTY PAYMENT was erroneously linked by the Federal Defendants to the “ownership” of a so-called “headright.” The key distinction for the instant controversy is that “ownership” of a headright is not determinative of an individual’s entitlement to receive a distribution of SECTION 4 ROYALTY PAYMENTS from the Osage Mineral Estate pursuant to the 1906 Act § 4 (as amended). The Osage Mineral Estate and the distributions required under Section 4 of the 1906 Act involve a closed trust established by federal law and is specifically intended only to benefit Osage Indians (and in some circumstances, the “heirs” of Osage Indians who would not be Osage Indians under the original 1906 Act).³

18. By 1948, the term “headright” became understood to mean a right to receive a distribution of royalties flowing from the Osage Mineral Estate. A headright also was interpreted to include a reversionary interest in the minerals themselves upon the expiration of the Osage Mineral Estate. Erroneously treating the owner of a headright as possessing rights legally equivalent to, and interchangeable with, the rights of an Osage Indian appears to be the root cause of the Federal Defendants’ malfeasance harming the Plaintiffs as alleged in this Amended Complaint.

³ The term “heir” as used in federal law referring to SECTION 4 ROYALTY PAYMENTS does not have the same meaning that it might under Oklahoma or other state law. Instead the term “heir” is confined narrowly to Osage Indians, their spouses, legally adopted children, and Indians by blood.

18. With certain very limited exceptions, an Osage Indian's right to receive trust distributions of SECTION 4 ROYALTY PAYMENTS was restricted against alienation and the Osage Indians receiving such distributions are largely required by the Federal Defendants to agree that their certificates of competency are revoked before such payments commence. Accordingly, the Plaintiffs and Class Members whose certificates of competency have been revoked are the personal wards of the Defendants.

20. To date, there has been no accounting provided to the Plaintiffs by the Federal Defendants regarding the distribution of SECTION 4 ROYALTY PAYMENTS to any person or entity, including those recipients who are not Osage Indians.

B. Federal Defendants Breach of Trust by Distributing Royalties to Non-Osages

21. The Federal Defendants have breached their trust responsibilities and acted in violation of federal law by improperly distributing SECTION 4 ROYALTY PAYMENTS to persons who are not Osage Indians (or heirs).

22. The federal obligation to distribute the subject trust assets only to "members of the Osage Tribe of Indians" can be found where Congress stated, in relevant part, that the Royalties from mineral extraction:

[S]hall be placed in the Treasury of the United States to the credit of the members of the Osage tribe of Indians as other moneys of said tribe are to be deposited under this act, and the same shall be distributed to the individual members of said Osage tribe according to the roll provided for herein, in the manner and at the same time that payments are made of interest on other moneys held in trust for the Osages by the United States...."

See, the 1906 Act § 4, ¶ 2. The statute has never been codified, but has been amended to provide that a member of the Osage Tribe may, with federal approval, devise his right to receive SECTION 4 ROYALTY PAYMENTS to a certain limited group of persons of Indian Blood, spouses, and for a life estate interest to others.

23. The exclusive right of an Osage Indian to receive trust distributions of SECTION 4 ROYALTY PAYMENTS has never lapsed since the closed trust benefit was created in 1906. Furthermore, Congress expressly recognized the Plaintiffs' exclusive right as Osage Indians to receive SECTION 4 ROYALTY PAYMENTS in perpetuity.

C. Federal Defendants breach of trust by failing to account or audit

24. Pursuant to Federal law, including 25 U.S.C. § 4011, the Federal Defendants have a responsibility to account to each Plaintiff and to the putative class members for the management of their assets and funds. This obligation to account, as well as others, is a codification of subsisting responsibilities that the Federal Defendants owe to the Plaintiffs. The Federal Defendants have paid monies out of the Osage tribal trust account to various parties, including the Individual Defendants listed herein, but have failed to provide any accounting to Plaintiffs with regard to the fidelity of such payments to the requirements of federal law, including the trust indenture found in the 1906 Act, § 4.

25. The Federal Defendants are similarly obligated by federal law to audit the Plaintiffs accounts and funds, and to provide a letter to Plaintiffs at least each year.

26. Defendants have failed to perform these accounting and auditing functions, as claimed herein. Defendants' failure to account includes, but is not limited to, failure to account concerning distribution of SECTION 4 ROYALTY PAYMENTS to individuals who are not Osage Indians (or heirs).

27. Defendants' failure to account and audit is an act that has occurred during the pendency of this lawsuit, and immediately prior to its commencement.

FIRST COUNT
BREACH OF THE FEDERAL TRUST RESPONSIBILITY

28. Paragraphs 1 through 27 are incorporated by reference.

29. Plaintiffs complain against Federal Defendants and for a first claim for relief allege:

30. Congress created a closed trust involving the Osage Mineral Estate. The 1906 Act, § 4 act created a fiduciary relationship between the Plaintiffs and the Federal Defendants that dedicated to the Federal Defendants elaborate and extensive control over the administration of the royalties to be distributed from the Osage Mineral Estate.

31. The Federal Defendants have breached their trust obligations to the Plaintiffs and others similarly situated by improperly distributing trust assets comprised of the SECTION 4 ROYALTY PAYMENTS to persons who are not Osage Indians, all in violation of The 1906 Act § 4, ¶ 2 (as amended), herein the Individual Defendants.

32. The Federal Defendants are required by federal law to account to the Plaintiffs for the management of assets managed by the Defendants for the Plaintiffs' benefit, and to audit the fidelity of their actions to the requirements of federal law. *See, e.g.*, 25 U.S.C. § 4011. The Federal Defendants have breached this obligation by failing to account to the Plaintiffs and Class Members for all funds held in trust by the United States for the Plaintiffs, which includes all funds resulting from the Osage Mineral Estate and once such funds were segregated and made available to be distributed as trust property from SECTION 4 ROYALTY PAYMENTS.

SECOND COUNT
FAILURE TO ACCOUNT AND DEPRIVATION OF PROPERTY

33. Paragraphs 1 through 32 are incorporated by reference.

34. Plaintiffs complain against Federal Defendants and for a second claim for relief allege:

35. The Plaintiffs and others similarly situated have been denied by the Federal Defendants' wrongful action or inaction the right to fully participate in distributions from the Osage Mineral Estate because the Federal Defendants have allowed SECTION 4 ROYALTY PAYMENTS to be distributed to the Individual Defendants who are not otherwise entitled to receive SECTION 4 ROYALTY PAYMENTS from the Osage Mineral Estate.

36. The Federal Defendants' failure to properly manage the trust assets, accounts and funds, coupled with Federal Defendants' failure to account and audit

their actions, all occurring constitutes a deprivation of the Plaintiffs' property by Interior and its sub-agencies in violation of the Fifth Amendment of the United States Constitution.

37. Pub. L. No. 109-54, 119 Stat. 499 (2005), along with a number of identically worded statutes, provide:

notwithstanding any other provision of law, the statute of limitations shall not commence to run on any claim, including any claim in litigation pending on the date of the enactment of this Act, concerning losses to or mismanagement of trust funds, until the affected tribe *or individual Indian* has been furnished with an accounting of such funds from which the beneficiary can determine whether there has been a loss....

(quoted in *Otoe*, 2008 WL 5205191 at *4-5.) (emphasis added) (herein the "Interior Appropriations Act" or the "Act"). As the Western District held, "*The plain language of the Act clearly expresses an intent to suspend all statutes of limitations until an accounting has been provided.*" *Otoe*, 2008 WL 5205191 at *5.

38. Since the filing of this complaint, and immediately beforehand, the Federal Defendants have not:

- A. accounted to the Plaintiffs for the distributions under the 1906 Act, § 4;
- B. provided an audit to the Plaintiffs for the distributions under the 1906 Act, § 4;

C. provided adequate systems for accounting for and reporting trust fund balances in the funds segregated for payments under Section 4 of the 1906 Act;

D. provided adequate controls over receipts and disbursements for payments under Section 4 of the 1906 Act;

E. provided periodic, timely reconciliations to assure the accuracy of amounts paid under Section 4 of the 1906 Act;

F. determined accurate cash balances of payments under Section 4 of the 1906 Act;

G. prepared or supplied the Plaintiffs with periodic statements of their portion of the payments under Section 4 of the 1906 Act or the account performance and with balances of their account of the segregated funds which shall, pursuant to federal law (25 U.S.C § 162a), be available on a daily basis.

H. established consistent, written policies and procedures for the management and accounting of the segregated fund or payments made pursuant to section 4 of the 1906 Act.

I. provided adequate staffing, supervision, and training for trust fund management and accounting.

39. Because the Federal Defendants have failed and refused to take actions, including an accounting and audit, required by federal statutes during the pendency of this lawsuit and immediately before, and because these complaints

are made pursuant to the Interior Appropriations Acts which hold that no statute of limitations begins to accrue until such accounting or audit is provided to Plaintiffs, this action is brought timely pursuant to the Administrative Procedure Act.

THIRD COUNT
ADMINISTRATIVE ACTION NOT IN ACCORDANCE WITH LAW AND
SHORT OF THE PLAINTIFFS' RIGHTS

40. Paragraphs 1 through 39 are incorporated by reference.

41. Plaintiffs complain against the Federal Defendants and for a third claim for relief allege:

42. The Federal Defendants, during the pendency of this lawsuit, have acted, or failed to act, in ways that are not in accordance with law and are contrary to the Plaintiffs' statutorily guaranteed rights.

43. The Federal Defendants distribution of SECTION 4 ROYALTY PAYMENTS during the pendency of this litigation is made without complying with the requirements of the 1906 Act, § 4, 25 U.S.C § 162a or 25 U.S.C. § 4011 and therefore constitutes a deprivation by a federal entity of an interest conferred on the Plaintiffs specially by federal law.

44. The Defendants failure to account to the Plaintiffs for all funds resulting from the Osage Mineral Estate is in direct violation of federal laws, including 25 U.S.C. § 4011, which requires such an accounting and audit. Upon information and belief, Plaintiffs allege that Defendants have not paid the proper amounts of funds under section 4 of the 1906 Act to the proper persons.

45. Upon information and belief and during the pendency of this action, the Federal Defendants have permitted mineral royalty interests to be alienated in favor of persons who are not of Osage Indian blood nor the lawful successors of such persons in derogation of the right of repurchase specifically reserved to the Osage remaindermen of the original allottees of such interests and of the Osage Nation. *See*, Act of Oct. 21, 1978, Pub. L. No. 95-946, § 8(a), 92 Stat. 1660, 1663.

CLASS ALLEGATIONS

45. This action is brought as a class action, pursuant to Fed. R. Civ. P. 23 on behalf of all Osage Indians who lawfully receive distributions of trust property from the Osage Mineral Estate as determined and calculated by the Defendants, as trustee, pursuant to The 1906 Act § 4 (as amended).

46. The putative members of the Plaintiffs Class are so numerous that joinder of all the individual members is impracticable. Originally, there were 2,229 Osage Indians and their interests in the Osage Mineral Estate viz-a-viz receiving trust property distribution of the SECTION 4 ROYALTY PAYMENTS have become fractionated among many persons over time. It is believed there are more than 5,000 putative class members at this time.

47. The claims of Plaintiffs and the Class raise common questions of law and fact that predominate over any questions affecting only individual putative Class members. These questions include, but are not limited to, the following:

- (a) Whether the Federal Defendants have properly distributed SECTION 4 ROYALTY PAYMENTS from the Osage Mineral Estate to the proper persons and in the proper amounts;

- (b) Whether the Federal Defendants complied with federal statutory trust obligations in making trust distributions of SECTION 4 ROYALTY PAYMENTS to the Plaintiffs and Class Members as Osage Indians;
- (c) Whether the Federal Defendants have properly accounted to Plaintiffs for all funds held in trust by the United States for the Plaintiffs, which includes all funds resulting from the Osage Mineral Estate and available to be distributed as SECTION 4 ROYALTY PAYMENTS;
- (d) Whether the Federal Defendants have breached their fiduciary duties by making distributions trust property from SECTION 4 ROYALTY PAYMENTS to recipients who are not Osage Indians; and
- (e) Whether the Individual Defendants are entitled in the future to receive SECTION 4 ROYALTY PAYMENTS.

48. The Plaintiffs claims are typical, and are in fact identical, to the claims of the Class and are based upon the same factual and legal theories. Specifically, each of the Plaintiffs are entitled to receive trust property distributions of the SECTION 4 ROYALTY PAYMENTS. The wrongful distribution of royalties to the Individual Defendants diminishes on a dollar-for-dollar basis the trust property that should otherwise have been available for distribution *only* to the Plaintiffs and class members *qua* Osage Indians.

49. The Plaintiffs will fairly and adequately represent the interests of the Class. Plaintiffs are committed to prosecute this action vigorously and have retained competent counsel experienced in class action litigation of this nature. Plaintiffs are members of the Class and do not have interests antagonistic to, or in conflict

with, other members of the Class with respect to this litigation or claims being raised herein.

50. A class action is superior to other available methods for the fair and efficient adjudication of this controversy. The prosecution of separate actions by individual Class members could create a risk of inconsistent and varying adjudications, establish incompatible standards of conduct for Defendants, and/or substantially impair or impede the ability of Class members to protect their interests.

51. A class action will result in an orderly and expeditious administration of this controversy and of Plaintiffs' and the Class members' claims, and it will save the Court and the parties, economies of time, effort, and expense, as well as assure uniformity of decisions.

52. Plaintiff does not anticipate any difficulty in the management of this litigation as a class action.

RELIEF REQUESTED

Wherefore, Plaintiffs request on their own behalf, and on behalf of all those persons similarly situated, the following relief:

1. An order compelling the Defendants to provide to the Plaintiffs an accounting and audit of the SECTION 4 ROYALTY PAYMENTS distributed from the Osage Mineral Estate showing the amounts actually paid to each person and the basis for such payment;

2. An order requiring that such accounting and audit determine whether SECTION 4 ROYALTY PAYMENTS distributed from the Osage Mineral Estate have been distributed only to Osage Indians (and their heirs) as required by section 4 of the 1906 Act, amended;

3. A reformation of the Plaintiffs and Class Members' trust funds relating to the SECTION 4 ROYALTY PAYMENTS found to be due and owing to them, after an accounting and audit has been completed which shows that the Defendants' failed to abide by the requirements of federal statutes relating to the distribution of Osage Mineral Estate Royalties only to Osage Indians;

4. An order from this Court compelling the Defendants to prospectively distribute trust property from the SECTION 4 ROYALTY PAYMENTS only to Osage Indians and their heirs;

5. An order from this Court directing the Defendants to pay the Plaintiffs' attorney fees and costs under the Equal Access to Justice Act, 28 U.S.C.A. § 2412 and

6. On all of Plaintiff's factual allegations and claims for relief, such other relief as this Court deems necessary and equitable.
